“F.A.Q.s”

Are there joining costs?

Yes. It costs \$40 to join the unit. For this money you will be supplied with your weekly uniform that consists of a Polo Shirt, a T Shirt, Cap and Beanie. All these items become the property of the Cadet and it is their responsibility to care for them. Payment to be made in 2016

Are there any other costs?

Yes. There are sometimes costs involved with activities and camps. These are kept to a minimum and usually apply to optional activities. Advance notice is always given of any costs Cadets are expected to cover and is included in the school's cost schedule statement to parents.

Who funds Cadets?

The WA Government, through Cadets WA, provides a grant to each Cadet Unit each year. Dun Craig SHS Cadet Unit has a large asset and resource base including tents, mats, swags, back packs,

uniforms, gazebo shelters, cameras, specialist UHF equipment, first aid kits, hydroponics project, shade house for trees

Does the cadet unit supply everything for camps?

No. In addition to personal equipment and bedding, Cadets are required to supply and prepare all their own meals on camps and provide their own eating utensils. The unit will provide tents, sleeping mats, fridges/eskies, cooking implements such as ovens, eskies, etc.

When does the Unit meet?

Weekly meetings are held in the school gymnasium on Tuesdays starting at 3.15pm and concluding at 5.00pm. Parents need to make arrangements with their child to get home after each meeting.

Who can join?

Anyone student currently enrolled in Years 8 to 12 is eligible to apply. We currently have over 70 cadets. Senior Cadets can nominate for leadership positions.

Is weekly attendance compulsory?

Cadets are expected to make a commitment to the Unit and part of the commitment is to attend all activities and this includes weekly meetings, excursions, two parade nights and camps. There are some camps activities offered as options and whilst attendance to these activities is optional it is enthusiastically encouraged. It is accepted that there are times when a cadet has valid reason for not attending and these reasons should be communicated to the Chief Instructor before the activity. Occasionally, at exam times, Cadets may take leave to study.

What do we do each week?

The weekly activities are many and varied and include – drill, games, BBQs, research, community service, camp preparation, team work, guest speakers. Cadets are also required to complete Log Books which recording their learning experiences and their achievements. In addition there is at least one major unit activity each term such as a camp, excursion or incursion.
